67-4-3201. Definitions.

As used in this part:

(1) "Implementing agency" means any public transit agency, regional transportation authority created under title 64, chapter 8, or other local government department, agency, or designated entity that is responsible for planning or implementing a transit improvement program;

(2) "Local government" means:

(A) Any county in this state, including any county having a metropolitan or consolidated form of government, having a population in excess of one hundred twelve thousand (112,000),

according to the 2010 federal census or any subsequent federal census; or

(B) Any city in this state having a population in excess of one hundred sixty-five thousand (165,000), according to the 2010 federal census or any subsequent federal census;

(3) "Public transit system" means any mass transit system intended for shared passenger transport services to the general public, together with any building, structure, appurtenance, utility, transport support facility, transport vehicles, service vehicles, parking facility, or any other facility, structure, vehicle, or property needed to operate the transportation facility or provide connectivity for the transportation facility to any other non-mass transit system transportation infrastructure, including, but not limited to, interstates, highways, roads, streets, alleys, and sidewalks;

(4) "Surcharge" means a tax, or combination of taxes, levied by a local government pursuant to this part; and

(5) "Transit improvement program" means a program consisting of specified public transit system projects and services.

67-4-3202. Local Option Transit Surcharge.

(a) A local government is authorized to levy a surcharge, for use in accordance with § 67-4-3205, on the same privileges subject to the taxes listed in subdivisions (a)(1)-(6), if the underlying local tax on such privileges is being collected at the time a transit improvement program is adopted in accordance with § 67-4-3206. Any surcharge shall be a separate charge in addition to the local taxes provided in subdivisions (a)(1)-(6). Notwithstanding, and in addition to, any other law authorizing a local government to impose a local privilege tax and subject to the maximum rates or amounts provided in subdivision (g)(2), any surcharge levied pursuant to this part shall be limited to the following local privilege taxes:

(1) Local option sales and use tax, pursuant to chapter 6, part 7 of this title;

(2) Business tax, pursuant to the Business Tax Act, compiled in part 7 of this chapter;

(3) Motor vehicle tax, pursuant to title 5, chapter 8, part 1 or an applicable private act;

(4) Local rental car tax, pursuant to part 19 of this chapter;

(5) Tourist accommodation tax, pursuant to title 7, chapter 4, or hotel occupancy tax pursuant to part 14 of this chapter or an applicable private act; and

(6) Residential development tax, pursuant to the County Powers Relief Act, compiled in part 29 of this chapter.

(b) No surcharge under this part shall become effective unless approved by a majority of the number of registered voters of the local government voting in an election on the question of whether the surcharge shall be levied, pursuant to the procedures in this subsection (b). Upon the adoption of a transit improvement program in accordance with § 67-4-3206, and receipt of a certified copy of the adopted ordinance or resolution regarding the program, the county election commission is directed to call an election to be held in accordance with § 2-3-204 to approve or reject the levy of the surcharge. An election to approve or reject the levy of the surcharge may be considered a general election for purposes of § 2-3-204(c), which shall be conducted as follows:

(1) The ballots used in the election shall have printed on them the surcharge and the brief summary of the transit improvement program from the ordinance or resolution adopted pursuant to § 67-4-3206, providing options to vote "FOR" or "AGAINST" the ordinance or resolution levying the surcharge, and the voters shall vote for or against approval of the ordinance or resolution;

(2) The votes cast shall be canvassed and the results proclaimed and certified by the county election commission to the local government's legislative body;

(3) The qualifications of voters shall be the same as those required for participation in general elections;

(4) All laws applicable to general elections shall apply to the determination of the approval or rejection of the surcharge; and

(5) If the majority of those voting in the election vote for the ordinance or resolution levying the surcharge, the ordinance or resolution shall be deemed to be approved on the date that the county election commission makes its official canvass of the election returns.

(c) No surcharge shall be collected until the first day of a month occurring at least sixty (60) days after the date of approval of the levy of the surcharge; provided, however, that such surcharge shall apply only to tax periods beginning on or after October 1, 2017. The local government shall furnish a certified copy of the adopted ordinance or resolution to the department of revenue within ten (10) days of the approval of the levy of the surcharge.

(d) Any surcharge levied pursuant to this part shall remain in effect until the occurrence of a specific date or condition of termination in the ordinance or

resolution adopting the surcharge, or until the surcharge is repealed in the same manner as adopted under this part.

(e) If an election held pursuant to this part results in the rejection of the levy of the surcharge, a subsequent election regarding a surcharge authorized by this part may not be held for at least twelve (12) months from the date of the election.

(f) If a surcharge authorized by this part is ratified by a city that meets the definition of local government in § 67-4-3201 prior to adoption or ratification of a surcharge by the county in which the city or town is located, the effectiveness of the city's surcharge shall be suspended for a period of forty (40) days beyond the date on which it would otherwise be effective. If during this forty-day period, the county legislative body adopts a resolution in accordance with § 67-4-3206, the effectiveness of the surcharge shall be further suspended until the referendum is held in accordance with this section. If the county surcharge is ratified, the city's surcharge shall be null and void. A city that meets the definition of local government in § 67-4-3201 shall not adopt a surcharge pursuant to this part if a county has adopted and is collecting a surcharge pursuant to this part.

(g)

(1) The rate of a surcharge for the local taxes provided in subdivisions (a)(1)-(6) shall not exceed the maximum rate or amount established in subdivision (g)(2) for the applicable surcharge. The maximum rate or amount of a surcharge shall be applied to the aggregate of all transit improvement programs adopted by a local government in accordance with § 67-4-3206 and no surcharge may be levied which shall cause the rate or amount of any surcharge to exceed the maximum rate or amount. A local government shall levy any surcharge up to the maximum rate or amount as provided in subdivision (g)(2) without affecting the available taxing authority and rates or amounts of local taxes listed in subdivisions (a)(1)-(6).

(2)

(A) No local government may levy a surcharge on the local option sales and use tax under subdivision (a)(1) that separately exceeds the maximum rate established for the applicable underlying local option sales and use tax.

(B) No local government may levy any combination of tourist accommodation taxes or fees pursuant to title 7, chapter 4, hotel occupancy taxes pursuant to part 14 of this chapter or an applicable private act, local tourism development zone business taxes pursuant to the Local Tourism Development Zone Business Tax Act, compiled in part 30 of this chapter, state sales and use taxes pursuant to chapter 6 of this title, local option sales and use taxes pursuant to chapter 6, part 7 of this title, or surcharges on any combination of tourist accommodation taxes or fees, hotel

occupancy taxes, and local option sales and use taxes that under subdivisions (a)(1) and (a)(5) exceed a combined rate of twenty percent (20%) on hotels, motels, or other tourist accommodations subject to such taxes and surcharges.

(C) No local government may levy a surcharge on a business tax under subdivision (a)(2), a surcharge on a local rental car tax under subdivision (a)(4), or a surcharge on a residential development tax under subdivision (a)(6) that separately exceeds the rate of twenty percent (20%) of the current applicable rate of the business tax, local rental car tax, or residential development tax.

(D) No local government may levy a combination of a motor vehicle tax and a surcharge on a motor vehicle tax that under subdivision (a)(3) exceeds a combined amount of two hundred dollars (\$200) on persons subject to such taxes and surcharges.

(h) Nothing in this part requires revenue from a surcharge levied pursuant to this part to be expended or distributed for school purposes.

67-4-3203. Collection and Administration.

(a) Any surcharge shall be levied, collected, and administered in the same manner as the applicable underlying local tax, and shall be subject to the same conditions, limitations, exemptions, credits, returns, and other requirements as are applicable to the underlying local tax.

(b) The taxpayer shall have the remedies applicable to the underlying local tax.

(c) Any penalty and interest applicable to the underlying local tax shall be applicable to the surcharge.

(d) For any surcharge that the department of revenue administers and collects, the department of revenue shall administer and collect the surcharge as follows:

(1) In collecting and administering a surcharge levied under this part, the commissioner of revenue shall have the same powers as the commissioner has in collecting and administering the underlying tax;

(2) The department shall remit the proceeds of the surcharge to the local government levying the surcharge, less an administrative fee of one and one hundred twenty-five thousandths percent (1.125%) to cover its expenses of administering the collection and remittance of the surcharge; and

(3) Upon any claim of illegal assessment or collection, the taxpayer shall have the remedies provided in § 67-1-1438, and chapter 1, part 18 of this title, it being the intention of the general assembly that the law which applies to the recovery of underlying taxes illegally assessed or collected be conformed to apply to the recovery of surcharges illegally assessed or collected under this part.

(e) Any surcharge on the business tax shall be applied to all persons subject to the tax and shall be calculated based on their applicable rates and classifications pursuant to § 67-4-709.

67-4-3204. Local Option Sales and Use Tax.

(a) Notwithstanding that a local government may levy a surcharge under this chapter on the local option sales and use tax pursuant to chapter 6, part 7 of this title for use in accordance with § 67-4-3205, and in addition to the exemptions authorized by § 67-4-3203(a), the following items shall be exempt from the surcharge:

(1) Water sold to or used by manufacturers and taxed at the state rate of one percent (1%) as authorized in § 67-6-206;

(2) Sales of tangible personal property to a common carrier for use outside the state;

(3) Video programming services as defined in § 67-6-102(97);

(4) Telecommunication services;

(5) Specified digital products as defined in § 67-6-102(86); and

(6) Sales of tangible personal property when obtained from any vending machine or device and taxed at the local rate of two and one quarter percent (2.25%) as authorized in § 67-6-702(h).

(b) Any surcharge on the local option sales and use tax shall apply only to the first one thousand six hundred dollars (\$1,600) on the sale or use of any single article of personal property as defined in § 67-6-702(d).

(c) Any surcharge on the local option sales and use tax shall not apply to sales made by dealers with no location in this state who choose to pay local tax pursuant to § 67-6-702(f) at the rate set forth in that section.

(d) Except as otherwise provided in subsection (a), any surcharge on the local option sales and use tax shall apply equally and uniformly to all sales of tangible personal property, services, and other items subject to the tax, and shall be subject to the same exemptions provided in chapter 6 of this title as are applicable to the tax.

67-4-3205. Use of Surcharge Revenue.

(a) Revenue from a surcharge must be used for costs associated with the planning, engineering, development, construction, implementation, administration, management, operation, and maintenance of public transit system projects that are part of a transit improvement program.

(b) Revenue from the surcharge may be:

(1) Combined with other funding generated by local, state, or federal governments from taxes, fees, or fares, and may be used to match state aid funds and federal grants;

(2) Combined with private monies where allowed by law and used as a public entity's share of costs associated with a public-private initiative entered into pursuant to Chapter 975 of the Public Acts of 2016;

(3) Pledged to the payment of bonds issued for the purposes of financing a transit improvement program in accordance with this part; and

(4) Directed or transferred to implementing agencies to carry out a transit improvement program.

(c) If either a transit improvement program or a public transit system project that is part of a transit improvement program becomes unfeasible, impossible, or not financially viable, the revenue from the surcharge for the transit improvement program may be directed to and utilized for a separate transit improvement program or public transit system project that:

(1) Has been approved by:

(A) The local government's legislative body, as required in § 67-4-3206(e)(1); and

(B) A majority of the number of registered voters of the local government voting in an election pursuant to the procedures in § 67-4-3202; and

(2) Otherwise meets the requirements of this part.

(d) The proceeds of any bonds issued for the purposes of financing a transit improvement program shall not be used for operations of any public transit system projects or services that are part of the program, and in no event, shall the credit of any local government be given or loaned to or in aid of any person, company, association, or corporation, within the meaning of the Constitution of Tennessee, Article II, § 29.

67-4-3206. Adoption of Transit Improvement Programs.

(a) Before a surcharge may be imposed, a transit improvement program shall be developed and adopted in accordance with this section.

(b) A transit improvement program must indicate and describe in reasonable detail the public transit system projects and services to be funded and implemented under the program.

(c) A transit improvement program must state:

(1) The type and rate of a surcharge that will provide funding to the program;

(2) When a surcharge will terminate or the date or conditions upon which the surcharge will be terminated or reduced;

(3) Any other sources of funding for the program;

(4) An estimate of the initial and recurring cost of the program;

(5) The implementing agencies responsible for carrying out the program; and

(6) The geographic location of the public transit system projects.

(d) Prior to adoption of a transit improvement program in accordance with subsection (e), a local government must:

(1) Solicit public comment regarding the transit improvement program;

(2) Make reasonable efforts to notify or coordinate with other local governments surrounding the local government that is considering adopting the transit improvement program; and

(3) Prepare a plan of financing that demonstrates a proposed transit improvement program's financial feasibility that includes the methodology and assumptions used in the financial forecasts and projections supporting the plan's analysis. The plan of financing shall include information on the amount of the transit improvement program's infrastructure to be financed through the issuance of bonds or other debt. The plan of financing's analysis will be based on forecasts and projections for at least a ten-year period after the planned inception date for the program. For the purposes of this section, "financial feasibility" means the transit improvement program is likely to be viable after taking into account the anticipated costs, risks, and liabilities of the transit improvement program, the anticipated revenue generated by the surcharge and transit improvement program, and the local government's financial position. A local government shall obtain a determination or opinion in accordance with the attestation standards from an independent

certified public accounting firm that the assumptions in the local government's plan of financing provide a reasonable basis for the local government's forecast or projection given the hypothetical assumptions supporting its analysis that the proposed transit improvement program is financially feasible. Prior to obtaining the determination or opinion, the local government shall obtain approval from the comptroller of the treasury of the selection of the firm and the procedures to be used by the firm in making the determination or opinion. Upon approval of the firm and the procedures to be used by the firm by the comptroller of the treasury, the local government shall submit to the firm a plan of financing for any of the projects or services to be provided as part of the transit improvement program. Other relevant information may be considered in making the determination or opinion required by this subdivision (d)(3). The local government shall publish the completed financial feasibility determination or opinion in its entirety with the plan of financing on its website as soon as practicable after completion.

(e)

(1) A transit improvement program is adopted if it is passed by ordinance or resolution by majority vote of the local government's legislative body.

(2) A copy of such ordinance or resolution must be provided to the department of revenue prior to the election on the question of whether the surcharge shall be levied.

(f) The ordinance or resolution must contain a brief summary of the transit improvement program for which revenue from the surcharge will be used, written in a clear and coherent manner using words with common everyday meanings, and not exceeding two hundred fifty (250) words in length, and must include the information listed in subsections (b) and (c). The brief summary shall be placed on the ballot pursuant to § 67-4-3202(b)(1).

(g) The financing and operations of a transit improvement program shall be accounted for in a manner approved by the comptroller of the treasury and in compliance with generally accepted accounting principles (GAAP). Nothing in this part limits the authority of the comptroller of the treasury to audit the revenues and expenditures of a transit improvement program, the financing or operations of a transit improvement program, and to charge a reasonable fee for its services.

SECTION __. Tennessee Code Annotated, Section 67-4-2109, is amended by adding the following language as a new subsection:

(r)

(1) As used in this subsection (r):

(A) "Business plan" means a job creation plan submitted by a qualified business to the commissioner;

(B) "Summer youth employment job tax credit" means the credit provided to a qualified business;

(C) "Summer youth job" means a temporary employment position providing employment for at two (2) consecutive months, to a person for at least thirty-seven and one-half (37.5) hours per week;

(D) "Qualified business" means a new or existing business located in this state; and

(E) "Qualifying job" means a job with wages at least sixty-five percent (65%) of the average occupational wage for the labor workforce development area in which the job is created for the month of January of the year during which the job is created.

(2) For tax years beginning January 1, 2018, and thereafter, in addition to any other credits allowed in this section, there shall be allowed to any qualified business a summer youth employment job tax credit equal to five hundred dollars (\$500) for each qualifying job created.

(3) The qualified business shall file a business plan with the commissioner in order to qualify for the credit provided by this subsection (r). The business plan shall be filed in a manner prescribed by the commissioner and shall describe the type of business, the number of summer youth jobs to be created, the expected dates the jobs will be filled, and the effective date of the plan.

(4) In order to qualify for the credit, the qualified business shall create at least ten (10) qualifying jobs. The credit provided in subdivision (r)(2) shall first apply in the tax year in which the qualified business first satisfies the job creation requirements and in subsequent tax years in which at least ten (10) qualifying jobs are maintained.

(6) The commissioner has the authority to conduct audits or require the filing of additional information necessary to substantiate or adjust the amount of credit allowed by this subsection (r), and to determine that the taxpayer has complied with all statutory requirements so as to be entitled to the community resurgence job tax credit. If it is determined that the taxpayer failed to comply, the taxpayer shall be subject to an assessment equal to the amount of any credit taken under this subsection (r) for which the taxpayer failed to qualify, plus interest.

(7) The aggregate amount of the credits allowed to all taxpayers under this subsection (r) shall not exceed five million dollars (\$5,000,000) in any one (1) tax year.
